**Explanation of Responses:**

- These securities were inadvertently combined and reported on a single line on the Reporting Person's original Form 4 (the "Original Form 4"). This amendment serves to separate the options and report each option on a separate line.
- The Original Form 4 inadvertently listed the incorrect number of derivative securities, number of underlying shares covered by this this option and number of derivative securities beneficially owned following reported transaction.
- The shares subject to the option will vest in four equal annual installments commencing one year after the grant date, subject to the Reporting Person's continuous service with the Issuer as of the applicable vesting date.
- The Original Form 4 inadvertently listed the incorrect exercise price, number of derivative securities, expiration date, number of underlying shares covered by this this option and number of derivative securities beneficially owned following reported transaction.
